Asset management, Brokerage Services and Investment Advice

Stocks, Forex, CFDs, Futures, Commodities

February 2015

Delivering results on time ...

In addition to helping our clients open bank accounts in Cyprus and in a number of other jurisdictions, we can now help corporate and private clients gain access to investment services offered by a number of firms licensed and regulated by the Cyprus Securities and Exchange Commission (CySEC).

These Investment Firms offer an extensive range of services and products including:

❖ Investment Advice

- Institutional, corporate and private Wealth Planning and Advisory Services

❖ Asset Management

- Institutional, corporate and private Discretionary Management Services

❖ Global Brokerage Services

- Reception and Transmission of orders
- Execution of orders
- Online trading

The state of the art online trading platforms offer:

- ✓ Access to all major markets for real-time trading
- ✓ Access to all major products such as Stocks, Forex, CFDs, Futures, Commodities and Binaries
- ✓ Margin / Leveraged trading
- ✓ Advanced charting systems with technical analysis
- ✓ Powerful reporting capabilities
- ✓ PC, tablet and smart phone applications

For more information please contact us.

Risk Warning: Trading carries a high level of risk with the possibility of entire loss of the initial investment and may not be suitable for all investors. Trading in leveraged instruments can result in losses greater than the initial invested capital. You should not risk more than you are prepared to lose. Ensure that you fully understand the risks involved and seek independent advice if necessary, taking into account your investment objectives and level of experience.
